

Market Vectors Index Solutions Announces Quarterly and Semi-Annual Index Review Results Q3/2015

Rule Change to further increase liquidity effective on 18 September 2015
Review Results to be implemented on 18 September 2015

Frankfurt (11 September 2015) – Market Vectors Index Solutions GmbH (MVIS) today announced the results of the quarterly and semi-annual Market Vectors index review. The new deletion rule, announced on 14 July 2015, has been implemented in the process of the Q3 Review to increase index liquidity even further. The application of the new deletion rule leads to a temporarily higher number of deletions that is expected to decrease at the next review. The following table shows a summary of the review results for selected indices, which are licensed to underlie financial products. All review results and more details can be found on www.marketvectorsindices.com. As of 18 September 2015 the following changes will be implemented:
